

# Mayor's Message

## Surveys and Your Input

July-August 2011 Edition

The Town of Chestermere will be conducting several surveys over the next four months and would very much appreciate your input. These community surveys will help to shape the direction Council takes in budgeting in the future as well as plan our the social needs of our community. The last large community survey was done in 2008 with a 33% return rate. Let's try to beat it this time!

## Congratulations to Relay for Life

Photo by Bill Deniger

This year's Cancer Relay for Life was again a huge hit with close to \$110,000 raised. Congratulations to all those organizers who worked so hard to make the evening a lot of fun and of course to all of you who walked to eradicate this terrible disease. Good job.

### Upcoming events:

*Canada Day- at John Peake Park* July 1

*Waterfest- John Peake Park* July 23

## School Announcement

On May 24, in Airdrie, the Province announced new school funding. A K-9 school was announced for Chestermere and will open in the Kinniburgh area sometime in the next 4 years. Exciting news!

## Dredging or Not?

Council is looking for some direction from residents about dredging. Please take the time to fill in the one question survey listed on the back. Thank you!

Have a great summer!

Mayor Matthews
