Please check the appropriate box to indicate your chosen compliance path (select only one)		
PRESCRIPTIVE <input type="checkbox"/>	TRADE OFF <input type="checkbox"/>	PERFORMANCE <input type="checkbox"/>

I hereby give the assurance that the design selected above, described on plans, specifications and other supporting documents, prepared by this registered professional in support of the application for a building permit meets the intent of the National Building Code – Alberta Edition 2019 and the National Energy Code for Buildings 2015. I have an understanding or have employed someone who understands the Energy Code methods.

I also undertake to notify the *Authority Having Jurisdiction* in writing prior to the Final Building Permit inspection if the components or the energy requirements fails to meet the intention of the National Energy Code – Alberta Edition 2019 and/or the National Energy Code for Buildings 2015 and associated legislation in effect at the time of the building permit, or if our contract for field review is terminated at any time during construction.

I also confirm that the *Authority Having Jurisdiction* takes no responsibility for the application of all energy requirements in this project and that I have advised the owner of this fact. As the Registered professional. I shall submit the completed Form E to the City of Chestermere when all deficiencies have been addresses per code.

I hereby undertake to be responsible for at least two on site field reviews during construction including but not limited to:

1. Regardless of the compliance path chosen, certain information is required for all buildings seeking compliance with National Building Code – Alberta Edition 2019 and National Energy Code for Buildings 2015. This information must be completed for all projects and be consistent with the accompanying drawings and specifications.
