First Responders Day

Ways you can participate

Social Media

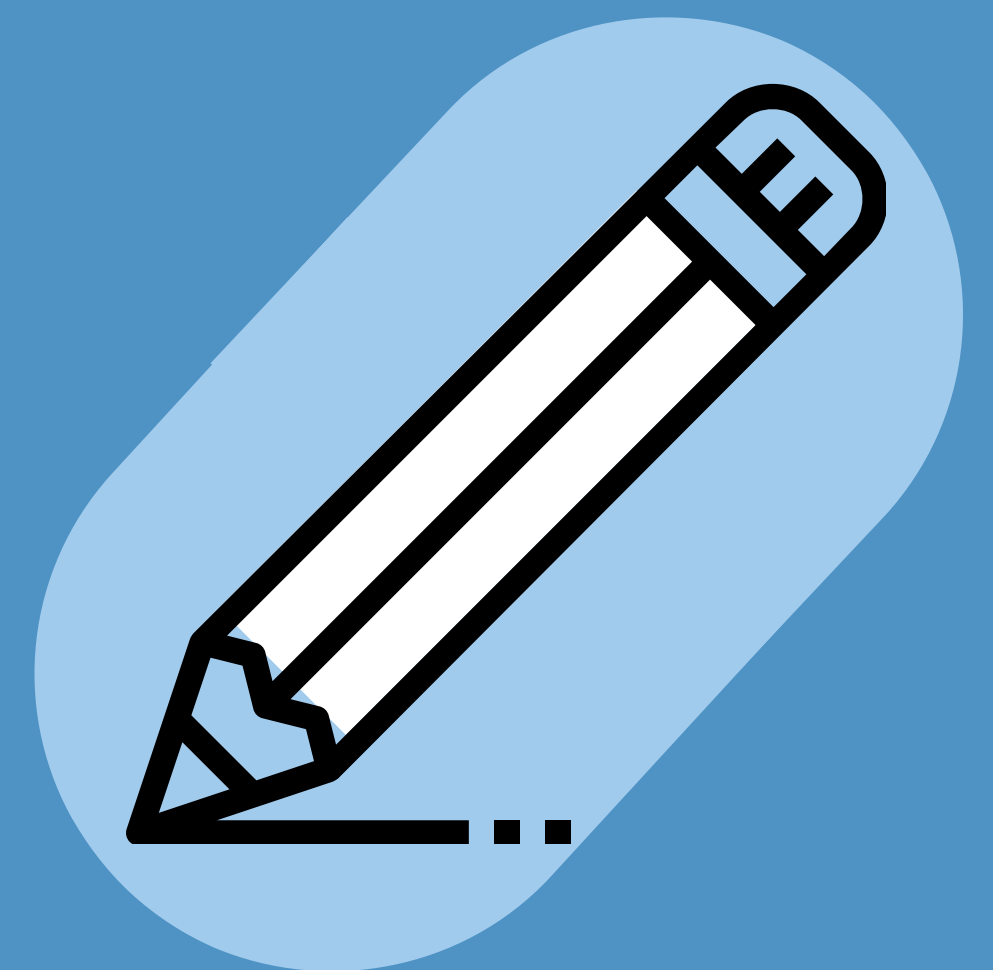

Keep a lookout on the City's social media for a special series showcasing a first responder from each sector.

Have you had a first responder help celebrate your birthday? Tell us about your experiences with first responders using the hashtag **#chestermererefr.**

Show Your Support

Do you want to write a letter but aren't sure if you can drop it off because of COVID restrictions? Fill out a form on our **website** and send your letter electronically!

Print or cut out the colouring page or thank you note from this post. If you can, post it on your windows for first responders to see.

Wave to a First Responder

Wave to passing first responders as you see them!

CHESTERMERE
