

Chestermere & South East Rocky View Community Access Program

Our local businesses are proud to support the community of Chestermere

The Community Access Program provides qualified low-income applicants with discounts on recreation, transportation, community classes and more. The program is expanding to include local businesses that can offer discounts or free products to card holders. Your participation can make a significant impact on those living with a low income in our community.

By participating as a partner business, you will benefit by:

- Increased exposure
- New local customer base
- Recognition of your corporate social responsibility and generous commitment to the community
- Your contribution being directed to those who need it the most

Interested in joining? The application process is easy:

- Determine your exclusive discount or offer for the Chestermere Access Program (We recommend a minimum 20% discount or a number of free products).
- Once enrolled your business will accept the Chestermere Access Card photo ID as the one and only requirement
- Your business name and discount offer will be featured online on the Chestermere Access Program webpage at www.chestermere.ca
- Current access card holders will be notified of new business offers through our regular email communication

For more information, contact please contact Family & Community Resource Centre or 403-207-7079.
